Flowers worldwide

We are happy to deliver floral greetings to 120 countries worldwide. Our florists on site do their very best to fulfil your individual wishes. Please understand that the flower culture in other countries is often shaped differently than in Germany and therefore we cannot guarantee that the floral greeting will precisely match the picture on our homepage.

§ 6 Prices, shipping conditions

1. Prices

All prices shown on our website include the applicable VAT. The shipping costs are not included in the price.

2. Shipping Conditions for "Flowers Today" and "Flowers Worldwide"

In addition to the price of the bouquet, for deliveries from the "Flowers today" category, we charge flat-rate delivery fees of 11.99 € and 14.99 € to 24.99 € for the "Flowers worldwide" category. Please note that deliveries abroad can only come from this category. Please understand that the flower culture is often regionally different and therefore we cannot guarantee that the floral greeting will precisely match the picture on our homepage. Our local florist partner will provide flowers of higher value and quality if not all flowers shown in the picture are available. If this occurs, we will inform you and give you the opportunity to change your floral greeting or, if you wish, to cancel the order.

Our flower greetings from these categories are delivered directly by our floristry partners. The delivery takes place at the shop's usual business hours. Delivery on Sundays and public holidays is not possible. Nevertheless, we try to make this possible for you and request that you to contact us, if necessary, directly by phone: 05303 99098 0 or by email info@floraprima.de. Please note that for delivery to some countries, we require your order 2-3 days before the requested delivery date.

3. Other shipping conditions

In the event that the shipment cannot be delivered due to incorrect address information, missing recipient name on the doorbell or letterbox or a refusal of acceptance by the recipient, the purchase price must still be paid plus shipping costs. Losses in quality due to late pick-up at the neighbours or deposit facility are also charged to the customer. If this occurs, the customer must also pay the purchase price plus shipping costs.

Our terms and conditions are based on the terms and conditions of our delivery service.

You have the choice: guaranteed delivery or standard delivery.

Either way, we deliver your shipment punctually. Since flowers are fresh, each shipment will be delivered to our delivery service one business day before the requested delivery date. During the ordering process, the desired shipping method is displayed to the customer with the incurred shipping costs.

Standard delivery – 5.99 €

The standard delivery is from Monday to Saturday from approx. 8:00 am to approx. 7:00 pm with our delivery service. We have no influence on that.

Guaranteed delivery takes place from Monday to Saturday with our delivery service and is guaranteed on the requested delivery date. If the delivery is not made during this period, we will refund the full shipping costs.

§ 7 Delivery

1. General

The flower greetings are delivered by FloraPrima GmbH to the recipient's address given by the customer, unless otherwise agreed. The customer is responsible for providing complete and correct address information.

Please read the confirmation email carefully. Inform us of any change requests immediately by email info@floraprima.de or by phone at 05303 99098 0. Note regarding changes: We strive to implement your change requests to the best of our abilities. However, once the order is in processing for shipment, we can NOT make any changes. This may also be a short time after your order. Thank you for your understanding.

The delivery requires a mailable address. If the delivery is to be made to an undeliverable address (e. g. ship, terminal, railway station, foreign military base, prison, etc.), please contact FloraPrima for prior consent.

Delivery to an island generally requires an additional day for delivery. The delivery guarantee (warranty delivery) cannot be given for deliveries to an island. Delivery is usually one day after the desired date.

Attention: At peak times such as Valentine's Day, Mother's Day and Christmas, we must submit your orders to our logistics department 2 to 3 days before the requested delivery date due to the large order volume. A change can be considered no later than 5 working days before the requested delivery date. The order may also be delivered at peak times one day earlier than the desired date.

We deliver to every complete and correct postal address within Germany.

For hospital delivery addresses, please note that some hospitals will not accept parcel shipments on Saturdays. The driver does not have the authority to deliver the shipment directly to the recipient. The same applies to company and hotel addresses.

2. Delivery times and delivery instructions

Standard delivery 5.99 €

The standard delivery is from Monday to Saturday from approx. 8:00 am to approx. 7:00 pm with our delivery service. Either way, we deliver your shipment punctually. Since flowers are fresh, each shipment will be delivered to our delivery service one working day before the requested delivery date. In terms of delivery probability, it is therefore irrelevant whether the customer has already placed the order several days before. Please note, however, that 95% of the packages reach the recipient on the desired date with standard delivery. In exceptional cases, the delivery may be delayed by 1 to 2 business days. We have no influence on that.

If the recipient is not at home at the time of delivery, FloraPrima GmbH reserves the right to ship the shipment to a neighbour. If no delivery is possible in the neighbourhood, our delivery service will store the package in the post office for collection by the recipient. The maximum storage time is 7 days. A new delivery is not provided in case of a standard delivery.

A delivery at a certain time of day or time is not possible!

Guaranteed delivery on the requested delivery date 11.99 € (incl. refund warranty)

Guaranteed delivery takes place from Monday to Saturday with our delivery service and is guaranteed on the requested delivery date. Either way, we deliver your shipment punctually. Since flowers are fresh, each shipment will be delivered to our delivery service one working day before the requested delivery date.

The guaranteed delivery for premium bouquets, premium roses and some other products costs 19,99 € (incl. refund warranty)

If the recipient is not at home at the time of delivery, FloraPrima GmbH reserves the right to deliver the shipment to a neighbour. When entering the recipient data, the customer has the option to enter an address in the field "alt. address" where the delivery service may be able to deliver, or to note whether the parcel may be placed in front of the door.

Guaranteed delivery ensures that the requested delivery date will be met by the delivery service. If, contrary to expectations, the delivery date is not met, you will receive a refund for the shipping costs. Please understand that the delivery guarantee only applies if no delivery attempt has been made. If the delivery service was on time and no one opened the door, the warranty does not apply.

§ 8 Protection of minors

1. FloraPrima will only enter into contractual relationships with persons of legal age. Purchasers must ensure that the delivery of goods is accepted exclusively by them or by an adult person authorised by them to receive the delivery. The delivery of spirits and alcoholic beverages as well as tobacco products is made exclusively to persons over 18 years!

2. The purchaser releases FloraPrima GmbH from claims of third parties, which arise from the violation of the obligation of the purchaser in accordance with section 1.

§ 9 Reservation of changes

Flowers are seasonal. Due to the possibility that orders may be placed with us for deliveries that shall take place only after weeks or months, it is possible in some cases that certain flowers are not available on the delivery date.

If this occurs, we will inform you and give you the opportunity to change your floral greeting or, if you wish, to cancel the order.

If we cannot reach you using your specified contact details or not in time, we reserve the right to unilaterally change the delivery item in such cases. However, we will stick as close as possible to the model of the ordered bouquet and, if necessary, deliver flowers of higher value and quality.

§ 10 Cancellation policy

Withdrawal

You have the right to withdraw from this contract within fourteen days without giving any reason.

The cancellation period is fourteen days from the day on which you or a third party named by you, who is not the consignee, has taken possession of the goods.

In order to exercise your right of withdrawal, you must contact us (FloraPrima GmbH, Didderser Straße 32, 38176 Wendeburg, Tel. : +49 (0) 5303-990980, Fax: + 49 (0) 5303-9709217 E-Mail: info@floraprima.de) with a clear explanation (e. g. a letter sent by post, fax or email) regarding your decision to withdraw from this contract. You can use the attached [standard withdrawal form](#), though this is not required.

To meet the cancellation deadline, it is sufficient that you send notice of exercising the right of withdrawal before the expiry of the withdrawal period.

Consequences of cancellation

If you withdraw from this Agreement, we must repay all payments we have received from you, including delivery charges (except for the additional costs arising from choosing a different delivery method beyond the most favourable standard delivery we offer), immediately and at the latest within fourteen days from the date on which the notification of your revocation of this contract reached us. For this repayment, we use the same means of payment that you used in the original transaction, unless otherwise agreed with you; in no case will you be charged repayment fees. We may refuse repayment until we have received the goods back or until you have provided proof that you have returned the goods, whichever is earlier.

You must return the goods to us immediately and not later than fourteen days from the date on which you inform us of the cancellation of this contract. The deadline is met if you return the goods before the fourteen-day deadline has passed. You bear the immediate costs of returning the goods.

You only have to pay for any loss of value of the goods if this loss of value is due to handling that is not relevant to checking the nature, characteristics and functioning of the goods.

Legal exclusion of the right of withdrawal

The right of revocation does not exist in contracts for the delivery of goods that can spoil quickly or for which the expiration date would be quickly exceeded.

§ 11 Returns

Please send us your return request in text form. We will then immediately send you a return slip, by means of which you can return the goods to us without having to pay shipping costs.

§ 12 Payment in advance / payment terms / default consequences / credit check / reservation of ownership / exclusion of set-off

Due date

The customer must pre-pay, and the purchase price plus shipping costs is due immediately after order.

Payment terms

Payment can only be made by credit card (VISA, MasterCard, AMERICAN EXPRESS - the credit card charge is charged one day after order), direct debit (the payment is automatically made one day after the order), PayPal, immediate transfer or by bank transfer on invoice. In individual cases, FloraPrima GmbH may demand the purchase the execution of a return debit note as well as a transfer. In case of a return debit, FloraPrima bears the costs of the return debit note.

Consequences of default

The customer is responsible for the costs of the return as well as the non-payment of a direct debit. FloraPrima GmbH is responsible for the return of the goods if the return is not affected. In the event that a reminder from FloraPrima GmbH remains in vain, FloraPrima GmbH will transfer the claim to a collection company. After submitting the claim for both sale and servicing, the customer agrees that the information regarding the payment of the claim will be returned to FloraPrima.

Credit check

For orders on invoice or by direct debit, we will check your credit. For this purpose, we use information regarding your previous payment history from infocore Consumer Data GmbH, Rheinstrasse 99, 76532 Baden-Baden and CRIF GmbH, Dessauerstraße 9, 80992 Munich and SCHUFA Holding AG, Kormoranweg 5, 65201 Wiesbaden. In addition, we obtain credit information based on mathematical-statistical methods using your address data CRIF GmbH, Dessauerstraße 9, 80992 Munich and infocore Consumer Data GmbH, Rheinstraße 99, 76532 Baden-Baden and SCHUFA Holding AG, Kormoranweg 5, 65201 Wiesbaden.

Retention of ownership

The delivered goods will remain the property of FloraPrima GmbH until the final payment of the purchase price plus shipping costs is received.

Exclusion of set-off

Offsetting by the purchaser is only permitted if the purchaser's alleged counter-claim is undisputed, legally established or if a legal dispute over this claim is ready for ruling.

§ 13 Jurisdiction and applicable law

Jurisdiction for registered traders, legal persons under public law, is Braunschweig. Mutual claims between FloraPrima GmbH and persons acting within the framework of their commercial or independent professional activity are subject to the law of the Federal Republic of Germany.

§ 14 Liability

A liability of FloraPrima GmbH, its representatives and vicarious agents, is excluded, as far as damages are not based on the grossly negligent or intentional breach of duty. This does not apply to the negligent breach of obligations, the fulfilment of which enables the proper execution of the contract, the breach of which jeopardises the achievement of the purpose of the contract and on the compliance of which you as a customer regularly rely. For commercial transactions, liability is also limited to the damage typically incurred in transactions of this kind.

The above paragraph does not apply to damage resulting from injury to life, body or health. Any liability arising from the Product Liability Act remains unaffected.

§ 15 Complaints / dispute resolution

Since 15 February 2016, the EU Commission has provided a platform for out-of-court settlement. This gives consumers the opportunity to settle disputes in connection with their online order without the intervention of a court. The dispute resolution platform can be found with the external link <https://ec.europa.eu/consumers/odr/>. However, we are not obligated to participate in a dispute resolution procedure before a consumer arbitration board nor are we, in principle, prepared to do so.
